

Great goods

brush buddies

Gentle on children's gums! Brush Buddies™ Poppin' are made of safe, lead-free ABS material and non-toxic paint that will not flake off with regular use, because your child's health is important to us. Made of only soft nylon bristles for child comfort and safety. Easy to use for kids to use - simply remove the toothbrush cap (character's head), press the belly button, and the brush will pop up!
